*Dear Andy:*

*Our only remarks after having a limited experience with you, Linda and your associates, are that you are absolutely "SUPER SPECIAL".*

*We didn't quite know what to expect for the procedures involved in an Estate Liquidation process. Your handling of the situation that existed from "A-Z" was quite exemplary.*

*Deanna and I quite enjoyed the experience. Please feel free to use us for any future references you desire.*

*Many thanks again!*

*Sincerely,*
