TERMS AND CONDITIONS

This Certificate of Appraisal is given subject to the terms & conditions hereinafter set forth, all of which are a part hereof unless expressly set aside in writing either on the pages of this Certificate or by a writing attached to the Certificate signed by all parties concerned.

1. Unless otherwise stated herein, this certificate is based only on the readily apparent identity of the item(s) appraised, and no further opinion nor guarantee of authenticity.
2. Unless otherwise stated herein, the appraised value(s) is based on the whole ownership and possessory interest undiminished by any liens, fractional interests or any other form of encumbrance or alienation.
3. This certificate is made at the request of the party named for his/her/its use. It is not an indication or certificate of title of ownership. The identification of the interest of the requesting party is simply that represented to the appraiser by such party and no inquiry or investigation has been made nor is any opinion given as to the truth of such representation.
4. The value(s) expressed herein is based on the appraisers best judgment and opinion and is not a representation or warranty that the item(s) will realize that value if offered for sale at auction or otherwise. The value(s) expressed is based on current information on the data made and no opinion is hereby expressed as to any future value, nor, unless otherwise expressly stated, as to the value.
5. Stated values are given item by item unless clearly stated as being per lot. The total of individual item values shall not be construed as an appraisal value for the whole lot, but merely as the addition of single values. Where values are given by lot, the value per lot is for the whole & no opinion is given as to individual or proportional values within the lot.
6. Unless otherwise stated herein, value(s) expressed are based on the general expertise and qualification of the appraiser as to the appropriate market and valuation for the items(s) and purpose involved. Where particular detailed valuation information is relied upon, it will be so stated in writing.
7. Where appraisal is based on a sample of a larger whole, it will be so stated and it is based on the assumption that the sample delivered is representative and fair. No opinion or warranty is hereby made as to the fairness or representative nature of any large whole from which the sample was drawn.
8. Where an appraisal is based not only on the item(s), but also on data or documentation supplies therewith, this certificate shall so state by making reference thereto and, where appropriate, attaching copies hereto.
9. Unless expressly stated the condition of the item(s) is good for its type, with serious deficiencies and repairs noted. Ordinary wear & tear common to this type of item is not noted.
10. Everything Goes & its agents are to be held harmless from any & all liabilities and/or legal actions associated with this appraisal. Furthermore, if the owner/fiduciary(s) signature does not appear below this appraisal is invalid.
11. The values on this appraisal are the opinion of this apraiser and may differ from one appraiser to another
